

Report on Plantation Programme/Campus cleaning Organised on World Environment Day at DIET, Karbi Anglong, Diphu

Introduction

To commemorate **World Environment Day** on 5th June 2025, a **plantation programme** was organised by DIET, Karbi Anglong, Diphu with the theme “**Ek Ped Maa Ke Naam 2.0**”. The initiative aimed to raise awareness about environmental conservation and promote the importance of afforestation in combating climate change and biodiversity loss.

Objectives

- To celebrate World Environment Day meaningfully through environmental action.
- To promote awareness about the benefits of tree plantation and ecosystem restoration.
- To involve students, staff, and community members in sustainable environmental practices.

Activities Conducted

1. **Inaugural Ceremony:** The programme began with a welcome address followed by a speech from the Sri.Karnel Teron, Vice Principal, DIET, Karbi Anglong, Diphu emphasizing the importance of environmental stewardship.
2. **Tree Plantation Drive:** Participants planted saplings in designated areas, including the school/college campus, community park, and roadside.

Outcome

- Raised awareness among participants about environmental protection.
 - Strengthened community participation in environmental conservation.
 - Initiated a long-term environmental sustainability practice in the locality.
